

WHAT IS A SCHOOL-HOME COMPACT FOR SUCCESS?

THE SCHOOL-HOME COMPACT FOR SUCCESS IS AN AGREEMENT THAT FAMILIES, STUDENTS, AND TEACHERS DEVELOP TOGETHER. IT EXPLAINS HOW FAMILIES AND TEACHERS WILL WORK TOGETHER TO MAKE SURE ALL STUDENTS REACH OR EXCEED GRADE LEVEL STANDARDS.

EFFECTIVE COMPACTS

- Connect goals to the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies families can use at home.
- Explain how teachers and families will communicate about student progress

JOINTLY DEVELOPED

The families, students, and staff of Guild Elementary School developed this School--Parent Compact for Success. Teachers suggested home learning strategies, families added ideas to make them more specific, and students shared what would help them. Meetings are held each year to review the compact and make changes based on student needs.

Families are welcome to contribute comments and suggestions at anytime. A suggestion box is located in the front lobby.

BUILDING PARTNERSHIPS

Reading Empowers All Children's Hopes

R.E.A.C.H.

School-wide Title I

R.E.A.C.H. hosts free family events throughout the year. These events empower families by sharing ways they can support their child in reading, writing and math while also providing fun, engaging activities for families to experience together. What a great opportunity to share the evening with your child's teacher, classmates, and other parents.

DISTRICT GOALS

The Board of Education sets goals for the entire districts.

ELA: At least 49.8% of SCS students in grades 3rd-5th will score On Track or Mastery on TCAP/TNReady assessments.

Math: At least 60.0% of SCS students in grades 3rd-5th will score On Track or Mastery on TCAP/TNReady assessments.

SCHOOL GOALS

Guild administrators, school leaders, and teachers use student achievement data to determine the most important areas for improvement for our school.

ELA: Students scoring on track or mastery on 2023 state assessments will increase by 5%.

Math: Students scoring on track or mastery on 2023 state assessments will increase by 5%.

FIFTH GRADE FOCUS GOALS

Guild administrators, school leaders, and fifth grade teachers use student achievement data to determine the focus areas for improvement for our school.

By the end of 5th grade students will...

- * Read the first 1,000 Fry words
- * Read at a level V

- * Complete multi-digit multiplication and division problems
- Borrow and carry with accuracy when completing large addition and subtraction problems.

Teachers, Families, and Students Succeed Together

COMMUNICATE STUDENT LEARNING

Guild Elementary School is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to communicate are:

- * Remind 101
- * Google Classroom
- * Monthly/weekly calendars
- * Take home folders/binders
- * Guild website
ges.sumnerschools.org
- * Social Media/Facebook

SUCCESS AT SCHOOL

During the school day students will:

- * Develop reading skills through whole group instruction, read alouds, vocabulary & spelling practice, & writing.
- Reading high-quality text & answering text-based questions
- Read texts that include a variety of vocabulary and content-based words
- Practice writing narrative, opinion, and expository essays that include text evidence.
- * Receive instruction in a workshop model using Bridges Mathematics

SUCCESS AT HOME

At home students can:

- "Read" nightly
- Practice multiplication & division facts 0-12
- Practice multi-digit multiplication and division problems
- Practice large addition and subtraction problems (4-digits or more) that require students to borrow or carry
- Talk about their day & what they are learning
- Pack a healthy snack in their backpack
- Have school materials ready the night before
- Get a good night's sleep (set morning alarm)
- Eat breakfast at home or at school
